imb/ EAST ASIA

Unreached people groups are considered unengaged (UUPG) when there is no church planting strategy, consistent with evangelical faith and practice, under way. In East Asia this represents 199 people groups and 6,255,325 people.

Unless things change, most people in this group will be born, live out their lives and die without ever hearing the gospel. They will never hear about the love, truth and saving power of Jesus Christ. What can be done? What is our role?

We must rely heavily on the power of prayer and the faithfulness of God. Learning their language, reaching them with the gospel, even living among them all come with challenges that need to be overcome. UUPGs like the Northern Dong, Laba, Mashan Miao and Wenma Zhuang depend on your prayers to break down strongholds and bring light to their darkness. Only through prayer will believers be compelled to endure hardships and resistance to bring eternity to each and every heart!

PRAY for God's kingdom to come to the 199 UUPGs of East Asia, replacing fear and strongholds with freedom and hope.

PRAY for all these people groups to have a church started among them.

PRAY that all these UUPGs will have at least one faithful prayer advocate who will plead their case before God.
